Depending on the number of visitors present, there may be delays in issuing the play equipment on the day of your visit. Thank you for your understanding. Allow sufficient time for your tour: approx. 3 hours for "Becoming a Roman"

Some groups may be quicker. Please consider where you can have them wait if necessary.

Supervisors

Pupils will be in moving around in small groups of up to five, which must be organised in advance. Each group will receive a game plan to guide them. Markings on the ground will assist them along the route, which will involve crossing a number of roads. Please take enough supervisors with you to assist the children if required.

Food and drink

Please use the public picnic sites and not the benches in the park of Aargau Psychiatric Services PDAG (Königsfelden Clinic). There are two outdoor barbecue sites on the site of the Roman legionary dwellings on the Vindonissa Legionary Trail, which can be booked in advance.

Weather

During the tours, you will be spending much of the time outdoors. Inform the pupils that they should take a head covering and sun cream if it sunny and a waterproof if it is raining.

Site

Seven of the eleven tour points are on the premises of Aargau Psychiatric Services PDAG (Königsfelden Clinic). Please remain on the marked paths and be considerate of patients.

Responsibility of teachers
